### GUN INFORMATION

Rifle/Shotgun	Make	Model	Caliber/Ga.*	Serial number

Mexican laws allow foregin hunters (with a license) a combination of two rifles or shotguns and a maximum of 100 cartridges per rifle or shotgun. Rifle calibers allowed are up to 8mm (.322") and shotgun gages allowed are 12 Ga and smaller, with barrel of 20" or larger.

\* Please print the comercial caliber of the rifle (7mm STW, .30-378 Weatherby, .300 Win Mag, 7mm Rem Mag, .300 WSM, .243,.270).

To visit México as a tourist and plan to stay more than three days at the border, or will pass the second check point, or to hunt it is a must to get a Visa at the port of entry (at the bridge). The cost is about \$25 dolars for 180 days. According to the U.S. Department of Homeland Security, US Citizens traveling by land and sea CURRENTLY need to present either (a) a passport, passport card or WHTI-compliant document; or (b) a government-issued photo ID, such as a driver's license, along with proof of citizenship, such as a birth certificate.

Remember to declare your guns and ammo using **the DECLARATION LANE** at the bridge. Look for specifics traffic signs for hunters at the bridges #2 & #3 (Colombia). **Ammo can be imported only the frist time, when you check your guns in.** Remember to check your guns out on your last trip, **AVOID PENALTIES.**

The ranch owner or the Outfitter will have the tags available at the camp. Be sure to attach a tag to you game. US Fish & Wildlife requires you to declare your game at the port of entry, and the hide must be dipped for parasites or hard rock frozen for 48 hours. **Don't have permit to cross birds.** Only the hunter can cross his/her trophy. Be sure to keep a copy of the declaration made at the bridge for future references on the U.S. side.

Please visit [www.angadi.org.mx](http://www.angadi.org.mx) for the latest news.

Formats to import trophy game to the US will be readilly available at ANGADI offices.
